Re: USA vs Hector Colon, 24-cr-367

Dear Judge Liman:

Hector Colon is scheduled to be sentenced on April 15, 2025. I am respectfully requesting a two-week adjournment of his sentencing. His sentencing submission is due today. I was unable to complete his sentencing submission because I have been working on pretrial motions on a RICO murder case. Jacob Fiddelman, AUSA consents to my request for a sentencing adjournment on behalf of the Government.

Your Honor's granting of this adjournment request would be greatly appreciated.

Respectfully yours,

/s/Thomas Ambrosio
